# Key West TODAY: The Very Best 153 Things You Must Do

## Synopsis

The very best 153 things you must do in Key West. Sure, you've seen the sunset at Mallory Square. You've snorkeled the coral reef. You've watched the band at Sloppy Joe's, and ridden the Conch Tour Train. But have you visited the Driftwood Castle? Gotten naked with the bartender at the rooftop Garden of Eden? Spent the night in an underwater hotel? From the commonplace to the outrageous, let this book be your guide to the best of Key West. For ten years now author and artist Bucky Montgomery has compiled Key West events, attractions, tours, water activities, festivals, museums, advice, nature and more for his Key West TODAY Facebook page, with over 30,000 avid online followers. Now, all this great information has been packed into this one handy book, filled with photos, addresses, phone numbers, costs, and hours of operation. Key West TODAY - the Very Best 153 Things You MUST Do is the very best guidebook and checklist for anyone wanting to get the full Key West experience. For tourists and locals alike! Buy two!

Louisville-born Bucky Montgomery is an artist, writer, musician, actor, publisher, host and promoter of various annual Key West events and functions, who has resided in Key West for the better part of twenty years. He writes for the Florida weekly newspaper, is a regular guest and host on various radio shows, produces the annual Best of Key West singer/songwriter compilation CDs (on iTunes and CDBaby.com), has seven of his own CDs (including two from his bands SLAG and Dorothy Boy), is the author of a series of fantasy novels, and has done artwork for businesses all around the world, including Heavy Metal magazine, the San Jose Sharks NHL team, Atari, and the Kentucky Opera. He worked in advertising and publishing for two decades, has bartended, owned a

restaurant/bar called Bucky's, worked as a morgue attendant, was a rifleman in an ultralight infantry cohort unit in the United States Army, was a law enforcement officer, and at the opposite end of the spectrum, at one time dabbled in dealing 'contraband'. His next project is a science thriller called Animal Kingdom - the Extinction Virus, due to drop in Fall 2017.

This is a great read. It's really helpful if you're planning a trip and have not been to Key West before. This will help in deciding a time to go based on activities that are going on there. It's also very informative for people that visit multiple times a year, such as myself. I discovered quite a few things I can't wait to try the next time I'm in town!

I bought the Kindle version - great tool for planning my next visit!

An excellent read from cover to cover! An awesome guide to well known spots, as well as some goodies you wouldn't find on your own! A must for first timers and long time visitors to this quaint and entertaining island!

The author covers it all. He's obviously dialed in to Key West and offers local secrets for every level of vacationer. Plan on wanting to stay in town longer.

Because 152 just isn't enough!

A really informative and in depth look at some of the many things you can do in Key West. Written from a locals perspective so it has not just the touristy things but off the beaten path ideas as well. A must have if you are going to visit KW or if you've ever been before and want to relive the memories

Bucky has been around the block so he really knows Key West. In addition to the usual attractions you can find out about anywhere, he includes many special and off the beaten track things that are worth exploring. I've lived here 30 years, so I know this is the real deal.
