Totally Crazy Easy Florida Gardening: The Secret To Growing Piles Of Food In The Sunshine State

Synopsis

Are you tired of failing at your Florida gardening? Are stink bugs puncturing your tomatoes and nematodes gnawing your eggplants? Is the sand eating your compost like an RV swallows gas? Fear not! You can grow buckets upon buckets of food in Florida - and this book gives you the secrets to pulling it off year after year. Lots more food - for a lot less work! Whether you want to save money, feed your family, start a survival garden, garden year-round, go paleo or build a huge prepper garden, this is the book for you. Learn the cheap simple techniques that will kickstart your Florida gardening. Discover the crops that will always come through for you. Quit hating the sand and the bugs and start reaping abundant harvests like you've never had before! This book provides the answers for both beginners and experts, delivered with humor. If you want yet another boring gardening book - this isn't it. Through combining "back to Eden" gardening, square foot gardening, biointensive gardening, container gardening, and some of the most productive crops on the planet, you will succeed! This is easy Florida gardening like you've never seen before. Get your copy of *Totally Crazy Easy Florida Gardening* and turn your backyard patch of weeds and sand into a money-saving vegetable factory that will keep your family fed no matter what the economy does. Start gardening right now before it's too late! Expert Florida gardener David the Good shares how in *Totally Crazy Easy Florida Gardening*.

Customer Reviews

After years of struggling in NE Florida to grow vegetables I decided to buy this book. I'm so glad I did. I bought the seeds and plants that were recommended and I am looking forward to a bountiful harvest this year!! This guy knows his stuff and he knows Florida.

I bought it for my daughter who moved to Florida a couple of years ago and has struggled with her gardening. She likes the looks of the book (thus the four stars) but it's wait and see at this point.

Great reference book with valuable information for gardeners new to the area.

The best book ever about gardening! Its exciting to read and gives "down to earth" information everyone can follow. David, awesome work!

a very handy book for the florida gardener. i am new to gardening and needed help with the difficulties of florida gardening.

VERY GOOD TO KNOW BOOK

great info

Very helpful information for anyone planting in Florida, especially the rough north central part, where things can get tricky with being tropical but having freezes.
