Zane's Sex Chronicles

Synopsis

New York Times best-selling author Zane presents a tantalizing short story collection, Zane's Sex Chronicles, which is now the basis of the Cinemax series Zane's Sex Chronicles - the first urban erotic series on television. The series calls for a sexual revolution and brings forth our favorite characters - Patience James aka Zane, Maricruz, Lyric, Eboni, and Ana Marie - as a force to be reckoned with as they balance common day-to-day issues, a slew of hot sex, and the fine men in the big city. Learn more about their backgrounds in this special tie-in edition. Like the series, Zane's Sex Chronicles is about empowerment and liberation - both in and out of the bedroom. Pleasurable from beginning to end, this anthology brings together hunger-inducing stories from the original best-selling editions of The Sex Chronicles: Shattering the Myth and Gettin' Buck Wild: Sex Chronicles II. Zane's Sex Chronicles weaves together a compilation of bold characters and provocative stories of passion and intoxicating eroticism to seduce both men and women.

Customer Reviews

This book was awesome. Never a dull page. It keeps you wanting more and more. I am recommending it to all my friends female & male.

This is a great book to read it lives u imagining wonderful u will get so n to the book at times u will forget about the real thing

I love this book because it gives you the history of every girls life of what the series doesnt show on

tv so we can get a better understanding of each character

Love it

This isn't a new book, it's the same stories. I thought it was going to be based on the show. I was sadly mistaking. I want my 10 dollars back.

I ordered this book for my husband. He said that it's a great book. He doesn't want to put it down.

A variety of women, mostly women of color, lack something from the sexual parts of their relationships. Unfaithful men, men who don't bother checking to see if the woman is enjoying sex as much as they are, or simply women who need more than their men are willing to provide fill these stories by Zane. Zane's goal, throughout the twenty stories included in the ZANE'S SEX CHRONICLES collection, seems to be a combination of sex advice (take responsibility for your own pleasure and practice safe sex), and a variety of situations where characters don't bother taking that advice. Women find one-night stands in bus stations, laundromats, at parties with others watching, with male prostitutes, even, briefly, with another woman. In Zane's world, sex is commercialized (she deals with both male and female prostitutes), but also sometimes rare as her female characters must sometimes do without for long periods of time. Zane uses dialect enough to provide a genuine feel for these stories, but not to the extent that they become hard to read (who knew that fine was spelled F-O-I-N-E?). Intriguingly, the sex itself is mostly fairly vanilla--although Zane seems to prefer woman-on-top or doggy-style to missionary positions. It's the surprise factor, the sudden decision to liberate oneself from convention, and the willingness to recognize the role of sex as a key factor in happiness that makes these stories work. In the short story format, it's always difficult to show much character growth and character is certainly not the focus of these stories. Perhaps that's the point, however. Rather than look at how other women deal with sex and love, Zane allows the reader to put themselves in the place of a fairly generic female character--one surrounded by supernaturally hung and ready males.

Love the different short stories. I couldn't stop reading.
