## Customer Reviews

The Larousse editorial team includes many language and reference experts based in countries around the world. In this way the linguistic team keeps its finger on the pulse of living languages as spoken by the native language speakers of these countries.

I bought this for a friend who is a native Spanish speaker. He hears words in English and he can look up the words in a Spanish-English dictionary, but sometimes he isn't exactly sure which word is the best. The Spanish dictionary helps him sort out various words that have similar meanings. He's very happy with the dictionary.

This is an excellent dictionary for those who speak Spanish well but need a dictionary to expand Spanish words knowledge and usage in Latin America. Great value. Just make sure you get the -Esencial- volume as there are similar versions that provide translations from Spain rather than Latin America.

very easy for learn Spanish.

A little restricted, not as many entries as I had hoped for, but Larousse is the best of its kind and size.

Just what I was looking for as an intermediate-advanced student of Spanish. Definitions are pretty clear, as are indications for context. A good value.

as described, no problems with transaction.

THE DICTIONARY IT IS GREAT QUALITY AND MY SON FINDS IT VERY USEFUL! I AM ORDERING ANOTHER ONE BECAUSE I KNOW THAT IT IS A GOOD DICTIONARY.

Beautiful Dictionary! Easy to understand
