Boots & Chaps (Ugly Stick Saloon Book 1)

Synopsis

Passions burn between a Kiowa cowboy and a red-hot former stripper! It's Jackson Gray Wolf's thirtieth birthday, and he has little to show for it. No woman, no kids and no prospects for dates. Sure, the Kiowa cowboy has a ranch and two younger brothers, but he's in a rut where women are concerned, until the pretty little owner of the Ugly Stick Saloon captures his attention. A hot encounter in the saloon storeroom ends before he can get her out of studded red cowboy boots. Audrey Anderson is trying to shake her former occupation as a stripper and project her new role as the savvy business owner of the Ugly Stick Saloon. Now instead of taking off her own clothes, she manages a bevy of strippers. When one of her strippers calls in sick, she's forced to slip on a mask and into her role as the kinky Kiki Cox for the Gray Wolf twins surprise party for their older brother. Not that she minds, not after a sizzling near miss with Jackson in her own storeroom. His mind on the red boots and tight tush of a certain saloon owner, Jackson doesn't want the birthday party his twin brothers are throwing. But his promise to ignore the stripper goes awry when she shows him just how willing she is to please him and his brothers. Audrey gives them her all, but fears the one she wants might be more interested in the sexy stripper Kiki than the tamer saloon owner, Audrey. Warning: This story contains hot Kiowa cowboy brothers and a former stripper in a heart-stoppingly HOT menage a trois! Previously published in 2014

Jackson Gray Wolf is about to turn 30, and taking a hard look at his life. He spent the last 10 years raising his younger twin brothers, and working the family ranch after their parents died. The ranch is doing well and so are his brothers. The status quo is no longer doing it for him, but Audrey Anderson does. Audrey Anderson, owns the Ugly Stick Saloon. She has worked hard the last 2 years to make her bar a success, and even harder to put her past behind her. She has sworn off relationships, but Jackson Gray Wolf, is tempting her resolved. A hot dance and an even hotter encounter in the storeroom leaves both Audry and Jackson shaken and wanting more. While Jackson wants more, Audrey tells herself to walk away. When the opportunity to strip for Jackson's birthday party comes up, Audrey can't resist taking the job, in disguise, of course. Audrey let's herself indulge in her submissive side, with the Gray Wolf brothers. Letting go of her fears as the respect her limits, and cater to her needs. When Jackson let's out he knows who she really is, she panic's and runs. The brothers give chase, wanting to make her theirs. A fun, fast paced and steamy story. Loved Audrey and the Gray Wolf brothers.

3 sexy cowboys, and 1 HOT Solomon saloon owner, and one + of steamy sex. It even has a small plot. Characters included are vibrant. Yum!!!

I really don't know what to say about this book (haha) Boots and Chaps is an erotic novel that walks a fine line between hilarity, sexy, and questionable uncomfortable hottness. Don't read if partner sharing isn't your thing, however if that's your kind of digs then this book will satisfy your thirst.

What a fun little steamy read. Who wouldn't want 3 hot Kiowi Indian Cowboys to dominate them?. The scenes were HOT! Not burning hot like 3rd degrees burns hot, more like when you first dip your feet into a hot bath HOT! you eventually get used to it and doesn't feel all that hot anymore. I found it a bit hard to believe at first, Jackson wasn't into the whole thing then BAM he starts demanding that he be called Master. Oh god did he demand it.. over and over and over and over! The ending was also unbelievable. Although hilarious that girls were ripping the boys clothes off and

practically raping them. Apparently Jackson and Audrey were in love but he had no problems let his brothers have their way with her. Yeah just didn't sit right.

I was a little out of my league on this one... wow. Blood got a little hot. You need to be ready read some seriously steamy scenes. Heck I was blushing and I don't blush.

This is the first book I have read by Mylar Jackson, and, while I was not completely amazed by the story, it was an all right read. By biggest problem is that the female character seemed to initially be all about the oldest brother, and the younger brothers were an afterthought. It really detracted from the story in my opinion.

A little kinky, multiple partners and some romance thrown in, what more could a girl ask for in short read ? Nothing ! The H and H/H twins plus h quickly become people you care for and want to be happy. Quite a feat in a short story. Also the plot is believable (a little unreal in the last bar scene but fun) with just a bit of a twist to give the reader a few new fantasies to store away. The author has accomplished a good read that is perfect in its entirety. It could even be expounded upon to be a novel or the prelude to a series about these four people you care about. Still I highly recommend it as is. So indulge yourself and take a ride with these sexy cowboys and their sexy filly. You won't be sorry.

Loved the book I loved how the heroine goes for what she wants and the man that loves her will give it to her to she will be happy
