Himalayan Passage: Seven Months In The High Country Of Tibet, Nepal, China, India, & Pakistan

Synopsis

* Winner of the first Barbara Savage Memorial Award * Stunning color photos of the journey * Look into the heart of the top of the world This is the story of two young couples who embarked on a free-form journey through Tibet, Nepal, China, India and Pakistan. Their goal: to circumnavigate the Himalayas by bike, foot, truck by any means necessary, the slope of the world's greatest mountain range their only guide. Along the way they experienced a region steeped in ancient tradition but permanently altered by its confrontation with the 20th century; they discovered all that is exotic and mundane, funny and tragic, and beautiful and brutal about this vast territory. Jeremy Schmidt's humorous, evocative narrative recounts bureaucrats, knife-wielding Khampas, lamas-in-training, and mystics of every stripe. With stunning photographs by Patrick Morrow, Himalayan Passage reveals a place imbued with meaning and reality far beyond anything in the world below: the mysterious, turbulent Himalayas, the gates to God. Also available in hardcover.

Customer Reviews

Schmidt and Morrow's account of their circumambulation of the Himalayas provides travel and adventure par excellence. Photos. Copyright 1992 Reed Business Information, Inc.

This narrative, winner of the first (1990) Barbara Savage/ Miles from Nowhere Memorial Award for adventure travel writing, tells of a 1987 trip around the Himalayas by truck, mountain bike, local bus, and foot. Accompanied by their wives, Schmidt, a journalist, and Morrow, a photographer, set out to circumnavigate the Himalayas. Their journey began in Lhasa and should have ended there, but like

a similar attempt (Ned Gillette and Jan Reynolds's Everest Grand Circle , LJ 11/1/85), political events terminated the quest in Sikkim. Schmidt is particularly good describing landscapes and the natives of Tibet and Nepal. He is somewhat less sympathetic and colorful in describing Indian and Pakistan portions of an off-the-beaten-path journey and reveals almost nothing about the four travelers themselves. Growing interest in adventure travel may make this a desirable purchase for large public libraries.- Paula M. Strain, MLS, Rockville, Md.Copyright 1991 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

Jeremy Schmidt took an adventure tour of the valleys and towns and the mountains of the Himilayan massif, and wrote a great book about it. The accompanying photos are quite nice too. I had the good fortune of hiking through Nepal back in the '90. This book brought back my memories of that great experience. Highly Recommended.
