# The Penguin Dictionary Of Sociology (Penguin Dictionary)

## Synopsis

Written by three eminent professors, it has been updated to reflect the shifts of sociological thought in the last five years, making it the most comprehensive, authoritative and up-to-date dictionary available. It is essential reading for all students and teachers of sociology and other related courses - and also the general reader.

## Customer Reviews

Nicholas Abercrombie is Emeritus Fellow of Sociology at Lancaster University. Stephen Hill is the Principal of Royal Holloway, University of London. Bryan S. Turner is professor of Sociology at the University of Cambridge. These three authors have collaborated extensively, particularly in writing *The Dominant Ideology Thesis* (1980), *Sovereign Individuals of Capitalism* (1986) and *Dominant Ideologies* (1990).

great, very helpful

A good quality book cover is intact in good condition very helpful for studies

I have found Penguin dictionaries to be useful. But they can be a little frustrating because they leave out information I would consider important. The biggest overlook in the Dictionary of Sociology is the absence of W.E.B. Du Bois. The dictionary overall is good and I think it comes in handy for tutoring introductory courses. The information is presented in an easy to understand language. And has

been a good tool for assisting the classroom.

Good dictionary for the sociology student.

Good

Good product

I am a college senior and am really glad I purchased this item. It has really come in handy for all those sociological terms in my sociology text books. It was a good price and received it in great condition.

I received the book it looked brand new glad I made the purchase I am hoping to use this book a lot in my Sociology class.
