## **Customer Reviews**

The recipes in these books duplicate many of those in Louise Davidson's book Camping Cookbook Dutch Oven Cast Iron Recipes. I have found that book more helpful. Perhaps it is because I already knew how to grill and cook in foil, but I didn't find those sections that useful.

Good Read, Free when I got it.

I love the great outdoors seeing God's handy work and enjoying and the beauty that is around me.

But what good is all that if you don't share with others so I love to cook and share what God has given me with all I can. These 4 cookbooks are full of delicious recipes that I can share with others. And I thank God that he let's me enjoy and share with others his love and understanding. Thank you and enjoy your meal and enjoy your day.

All good

lots of new ideas.

It's great

This guide is absolutely amazing. I know the power of the pressure cooker in making food quick and easy. However, I have always assumed that the flavor is just mushy and tasteless. Well, that is what I felt until I tried the amazing recipes in this book. I love the fact that this book has pictures of the different recipes. Even the kids love the recipes from this book. They want to help prepare the meals because they are so easy. It has become a new family favorite activity around the pressure cooking making food together. This was an amazing book on multiple levels!
