Saboteurs: How Secret, Deep State Occultists Are Manipulating American Society Through A Washington-Based Shadow Government In Quest Of The Final World Order!

Synopsis

SABOTEURS is the most critical and groundbreaking work to date by prolific investigative author Thomas Horn. From his earliest opus on secret societies and the occult to this new unnerving chronicle, Dr. Horn returns to Washington, DC to expose a harrowing plot by Deep State Alister Crowley and Masonic devotees that hold an almost unbelievable secret they do not want you to understand: American society is being manipulated through a Washington-based Shadow Government in quest of that Final World Order prophesied in the books of Daniel, Revelation, and on the Great Seal of the United States! SABOTEURS goes beyond the superficial chaos currently playing out in the public square and in media against the Trump administration to unveil a far more sinister resistance made up of sorcerous elites, their secret societies, and world power brokers who plot the insidious rise of a messianic strongman figure they call The Grey Champion. This investigation addresses: *The supernatural truth behind the Trump Derangement Syndrome *How the federal bureaucracy is a tool of Deep State Occultists *Shocking revelations about Satanism in the US Capitol from WikiLeaks *What s in the Shadow Government two miles from the White House *Obama, Alinsky, and a dedication to Lucifer *Steve Bannon, the Fourth Turning, and The Grey Champion *The Necronomicon and why ZENITH 2016 may have just been fulfilled *Why Rabbis in Israel believe Donald Trump is paving way for Messiah *Hidden truth about Pope Francis and Dr. Horn s next major prediction *House of Cards, the Bohemian Grove, and the secret deal that was done *Hilarion, witchcraft, the Babalon Working, and Spirit Cooking 2020 *And much more! Dr. Thomas R. Horn is a long-time television and radio personality, publisher, and best-selling author. He also serves as the Chief Executive Officer of SkyWatch TV and Defender Publishing
