I have quite of few of these Fingerstyle books. My favorite in this book is "Amazing Grace (My Chains Are Gone)". I like these books since the tune really comes out and there is no need to sing them. This book is advanced enough to but full body tones, and a little challenging, but not so challenging for me that I get frustrated and throw up my hands. I can't say all of this series is that way. My other faforites in the book are "I Sing Praises", "In Christ Alone" and More Precious Than

Silver". It appears that many of these songs are in Drop D tuning. So it doesn't get crazy on the tunings, but it does get you away from the standard tuning that most books are in.

It's a great resource. . . if you can even see the tabs. Great songs and great tabs, but I don't recommend purchasing this through Kindle. I cannot hardly view the tabs either on my Kindle Reader, or my Kindle Apps on my computer.

good

Great and informal book! This was bought for our worship leader at our church, and he said that its an excellent book and he would recommend this book to others!

Good job.

excellent

Excellent Service; Accurate Product Description

I did not know must of the song when I bought the book. After I played them a few times I realise the music was beautiful and the lyrics great. It is a great tool to get better with your fingerpicking and I would sugest it to anybody that love to sing for the Lord.
