Incredible Mollusks (Incredible Creatures)

Synopsis

What are mollusks and where can they be found? Find out in this unprecedented exploration of the incredible creatures in the world around us. The series is divided according to animal classifications in order to establish a firm scientific basis for each title. This differentiates the series from other 'animal attack/weird animal' series and cover aspects of the curriculum in a more comprehensive way. Each title focuses on weird and wonderful examples of creatures that are not the norm after an introduction describing the animal's normal characteristics. The titles also include predatory behavior, but not as the main thrust of the book. A variety of text types such as newspaper reports are used to represent real life stories about the creatures covered.

Book Information

Series: Incredible Creatures

Hardcover: 56 pages

Publisher: Heinemann-Raintree (September 15, 2005)

Language: English

ISBN-10: 1410905284

ISBN-13: 978-1410905284

Product Dimensions: 10.2 x 7.9 x 0.4 inches

Shipping Weight: 13.6 ounces
