Off-the-beaten-path experiences and undiscovered gems, plus new takes on top attractions. The best hotels and restaurants in every price range, with

candid reviews.

"Frommer's Calgary" is a very useful guide for planning a vacation in Calgary, Canada, nicely situated between the Rockies and the Great Plains in Alberta Province. The resort towns of Canmore and Banff in the Rockies are easily accessible from Calgary via the Trans-Canadian Highway. As this guide explains, Calgary offers a variety of attractions to visitors, from a first rate zoo to an excellent provincial museum to venues for the 1988 Olympic Winter Games, to museums dedicated to Canada's Army, Navy and Air Force. In addition, the city offers easy access to biking and hiking trails. It is also home to the Calgary Stampede, a major rodeo event. Calgary also offers excellent choices in accommodations, dining, and shopping. The Frommer's guide walks the would-be vacationer through the possibilities, augmented by some nice maps and diagrams. This reviewer was able to explore the city on several visits, armed only with the guide and a local map. Highly recommended.

Upon planning a trip to Calgary, I bought this book advertised by . Not only does the book describe the historic sights to be found in Calgary, but by reading it I could maneuver through the city by public transit, which is minutely described.

The book needs to be updated!!!! Calgary has come into its own and information was not accurate especially regarding western stores that have moved to different locations and restaurants that have changed ownership.
