Customer Reviews

Gorgeous hardback book. I have it on my living room coffee table, it's so pretty! Great book too filled with awesome life rules. I first read this as a teenager and there are so many suggestions that I

have used throughout my life since reading this book. Just little suggestions that make a huge difference in my life and those around me. I can't wait for my children to read it. DEFINITELY A MUST READ! :)

Almost new quality! There was a little sticker residue, but it came off with some Goo Gone. Saw this in the store for \$20, so the \$7 I paid was a great deal!

I had seen some excerpts from this book that someone shared on facebook, and I immediately shopped for it on ! I love that I can read a few lines or a few pages each day. It always cheers me up. This is a collection of several books. I love that Mr. Brown cared enough about his son to compile these lists of bits of wisdom, and I am thankful they chose to share it with the rest of us. Recommend.

As I read through these endlessly interesting suggestions, it is so touching to me that a dad sat down and pulled all these gems out of his accumulated wisdom for the benefit of his son. They are humorous, thoughtful, insightful, full of common sense. I would have loved loved loved having a collection of thoughts my dad found meaningful to him.

I like to read one a day it's the little things in life.

I got these books for my grandchildrenFor high school graduation gifts .Make a perfect reference gift for going away to college

Well-written and cherished the wise sayings, helping me with decisions or any other situations that I want to embark on. Thank you. Very sturdy and of great quality would last a lifetime. Thank you to the seller and for the opportunity to purchase and at the price paid.
