This book is absolutely amazing! I love it! it gives you a lot of inside things on the movie and characters. There are 64 pages, every page has a couple of pictures on it. It's terrific! I am in love

with the movie descendants and I would definitely recommend this book for anybody who likes or loves that movie.

Perfect for any Descendants fan. This was on my niece's Christmas list, and I can see why. It's size, look, and feel are just like a regular school yearbook. The photos are great, colors are very rich, and it's just a really cute idea for a book. She'll be thrilled to receive this!

I ended up buying two of these, one for each of my similar aged granddaughters and they have enjoyed Reading them and sharing some of the information inside with each other. It was definitely worth it.

My granddaughter love this book. It was on her long list of books she wanted, but this one was at the top of her list. She is very happy to have it, and I know she will use it over and over

Got this book for my 8-year-old and she loved the answers in the yearbook and she found some of them funny. She recommends it if you're a Descendants fan like her!

Gave this to my 7 year old granddaughter for Christmas. She started reading it immediately. It was hard to get her to put it down when it was her turn to open another Christmas present. If you have a young one who is really into the Descendants, this is a must.

I bought this for my daughter's upcoming bday gift and she is going to flip out when she see's this YEARBOOK! it is really neat.She loves the decendants!!

My daughter was very excited to receive this. Has a lot of information on the characters.
