We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Wonderful collection of folksongs perfect for my voice students up to age 13. The accompaniments are very simple. The recorded accompaniments can be accessed online too, which I didn't even notice when I bought it- an extra bonus!

Very interesting and unique list of songs. My daughter is learning The Mermaid and is having so much fun with it!
