Africa Dream

Synopsis

An African-American child dreams of long-ago Africa, where she sees animals, shops in a marketplace, reads strange words from an old book, and returns to the village where her long-ago granddaddy welcomes her. Inspirational buy it for my little cousin and she loved it

All of my expectations were met from from my most recent purchases. I will be making more in the near future.

Bought this book over 30 years ago for my children . Now I have purchased it for the "Grands"

This was a nice addition to our library!

My 4 year old daughter loves this book.

I love this book

Perfect gift for niece Taryn!

Not as delightful as I hoped. The illustrations were dark and dreary. The story had a spiritual component that was unrelatable and questionable for lyoung impressionable minds. A low rating for this book. I may throw my copy in the garbage...
