Mary Kate McDevitt, a letterer and illustrator based in Philadelphia, finds inspiration in making up motivational phrases for herself. She hand-lettered the very phrases that she used to inspire herself to start an online shop, promote her work, and get stuff done. She is the author of *Hand-Lettering Ledger*.

this calendar starts August 2016 and goes to Dec 2017....which is great, IF it's August 2016 and not 2017. But my own fault for not clearly reading the ad I guess? So throwing half this calendar in the trash :(It's a cute calendar, but a little small, much smaller than a regular desk blotter so it doesn't really fit my desk. Again it is cute, but all around a bad choice for me and a waste of my money

Super neat and creative little calendar. It has plenty of room for me to write down all my various

to-dos for the month. Each month has an entire extra sheet of various places to write and organize + cute little notes/cards to use? As a very visually sensitive person, creativity of this calendar makes me smile.

Nice thick quality pages, I seriously love the artwork and all the positive phrases. Not to mention the extra pages for notes and lists. I will absolutely be buying another one next year.

Very Nice designs and I love the second page of "coupons" and call log. I had it on my work desk just one day and someone asked me about it and said they were going to order one too.

I really like the calendar but am a little disappointed that it doesn't have a few holes on the top for hanging or keeping it in place. It has great artwork and the price was much better than the competition.

The calendar is missing some months I noticed that it was March and April! So, it's not a complete Calendar...

Love this calendar! Perfect size for keeping track of a family and the little extra pages of inserts, (fun coupons, little note sections , cute goal charts ect) are wonderful! Only wish is was made for wall hanging BUT I simply glued some wire to the back and hung mine up anyways! Simple fix!

FUN! Makes getting organized so much easier! Plus Mary Kate's art/design is inspiring and thought provoking -- just terrific for writers and artists or anyone who is a child at heart and wants to explore possibilities!
