Customer Reviews

Patricia Harris and David Lyon drove almost every twisting mountain road as they researched three previous Frommer's guidebooks about Spain. As much as they enjoy the countryside, they find themselves inexorably drawn to the great cities of Madrid and Barcelona, where Spanish life and culture are writ large. Founders of HungryTravelers.com, they have a deep appreciation for the perfect codfish croqueta, an honest plate of patatas bravas, or a heap of peel-and-eat-garlic shrimp, ideally consumed at an outdoor table in one of Barcelona's ancient squares or at the crowded bar in a Madrid taberna. They write about travel, food, wine, spirits and contemporary art for journals as varied as the Robb Report, the Boston Globe and Westways. They reside in Boston, MA.

I have used Frommer's "Day by Day" travel guide series for Berlin, Prague and now Barcelona. Excellent, informative, easy to use guide whether visiting Barcelona for a day or a week.

This is a wonderful book, giving me all kinds of tips on what to see when we're in Barcelona next month. It has saved me a lot of time and trouble we'd have had without it. Great maps, descriptions, everything!

Great information on Barcelona. I'm looking forward in going and visiting the recommended sites.

Priceless tool when we traveled to Barcelona

great guide ! love the size and full of information.

Just like the other Frommer's books. Type is a little small-- getting hard to read.

perfect for my purse, lots of good info.

I was a little disappointed in the book but will withhold further comments until we return
