Customer Reviews

"Joy modestly admits that she is not a classically trained pastry chef, however, her book proves how that can actually be an advantage. Joy bakes with her complete heart and soul, writes from the gut, and makes us feel that we too can make magic in the kitchen." •Sara Kate Gillingham-Ryan, cookbook author and creator of TheKitchn "The best thing would be to have Joy the Baker *actually* bake all these things with you in your kitchen. The next best thing is reading her book, written with the exact same charming, hilarious in-person style that makes you feel like she's right there with you, sharing the recipes that come from her heart and soul." •Sarah Gim, TasteSpotting

Joy Wilson is a self-taught cook who grew up baking with her Dad. In 2006, she started a wedding cake and wholesale baking business in L.A.. In 2008, she began the Joy the Baker blog, which was named "Best Baking Blog" by Foodbuzz in 2009, and was also nominated for "Best New Blog" in the 2009 Bloggies. In 2010, it was again nominated for a "Best Food Blog" Bloggie. It was named one of the "Top 50 Food Blogs" by The London Times. Joy is also a co-founder of On the Lamb, a roving events company that throws speakeasy parties, underground suppers, and teaches culinary classes all over Los Angeles. Along with her co-founders, she has gained a big following in Los Angeles

after being featured on Daily Candy.

Joy's cookbook is true to its title- simple and comforting. I believe this book is a must have on a well stocked shelf of cookbooks! I have made many recipes off of Joy's blog and am beyond excited to start cooking from her book. I think I am most excited to make the Extra Crumb Coffee Cake! This is a book full to the brim with scrumptious looking recipes and delightful writing! Go buy it!

The chocolate salted peanut butter ice cream recipe alone is worth the price of the book.

My mother loved receiving this as a gift! She's been following Joy's blog for a few years now and so this was the perfect present. What she loved about it was the images! Joy also photographs her own food so that's a bonus. We like to know what the heck our stuff is supposed to look like in the end ;) Also, she has fun recipes with combinations we didn't even think to put together. Definitely a must if you're a fan of her blog and love to eat amazing treats :)

This isn't a book for savoury lovers so be warned! If you've got a sweet tooth or two, then this will definitely rock your boat. There's plenty in here to keep even the biggest dessert lover satisfied for weeks on end. First stop; peanut butter and bacon cookies. These are the first thing I'm baking from this book because they just sound so wrong, they have to be amazing! I think I'll end up giving most of these recipes a go, even the few savoury ones (avocado fries, anyone? Yes please!!). I can see this being a much loved and used bakery book - one that will be covered in splatters of cake batter and little amendments and notes. Thank you Joy!

The brown butter chocolate chip cookies in this cookbook are to die for. Almost as easy as toll house but significantly more delicious- perfect crispy outside/chewy inside, an extra hint of caramel in the cookie and with remarkable shelf life- that is to say, they seem to disappear before they get stale. These are truly a huge improvement over the traditional recipe. The kettle corn recipe is another favorite of mine- again- it's not rocket science, it's just delicious sweet salty popcorn goodness- you'll never reach for that microwave crap again! 100 Simple, yummy recipes. It's not 'how to cook everything' but I cook from it weekly.

New Orleans native and baking genius, Joy Wilson, is an international treasure. My 12 year old daughter got ahold of her other cook book and made the best baked goods I've ever tasted,

completely from scratch. So far, as she works through this one, we are not disappointed. Often highly original, clearly presented, and utterly delicious!

Some of these will become your favorite recipes, I find myself returning to the book over and over again. Family favorites and hidden gems. The recipes are easy to follow, success is within your reach. Would make a amazing gift for a newlywed.

Wow, what a great cookbook! Joy has some very inventive recipes, not found in other cookbooks that I own. The photos are amazing as well. I have a lot of cookbooks, but my favorites are the ones with beautiful photos to go along with the recipes. Great job, Joy!
