Being Nice To Others: A Book About Rudeness (Growing God's Kids)

Synopsis

Stories to Encourage Positive Behavior in Small Children
The preschool and kindergarten years are some of the most important formative years of a person's life. Habits and attitudes developed during these crucial years affect a child for the rest of his or her life. These years are also a challenging time for parents as their children test boundaries (and patience). How parents and children respond makes all the difference in the world. The Growing God's Kids series is designed to help young children understand their feelings, develop godly ways to deal with temptations, and form positive attitudes and behaviors that will serve them well in the future. In *Being Nice to Others*, parents and children identify rude behaviors and learn how to treat others the way they would like to be treated.

Customer Reviews

Discover the value of being nice to others
Sometimes Max is rude. He talks back to his teacher, says unkind things to his mother, and shouts at other kids. Everyone is tempted to be rude sometimes. But treating other people badly is wrong, and it never quite turns out the way Max expects. . . Come and learn a better way to handle the temptation to be rude--God's way!
The Growing God's Kids series helps young children learn how to deal with emotions and behaviors that are part of growing up. Carolyn Larsen is the bestselling author of more than fifty books for children and adults,

including the popular Little Girls and Little Boys Bible storybooks.

Carolyn Larsen is the bestselling author of more than fifty books for children and adults, including the popular Little Girls and Little Boys Bible storybooks. She is a frequent conference speaker around the world, bringing scriptural messages filled with humor and tenderness.

Bought this book for my son with ASD. He has several of the books from this series and likes them all. He enjoys reading of the main character - a little boy just like him! I like the multiple scenarios in each book that teach the 5Ws about rudeness. Highly recommended for parents, teachers, and therapists.

Great book

Sweet

Great teaching tool for my 4 year old!

interesting sztiri

Have enjoyed reading these to my 3yr old daughter. They have "lessons" and discussion points built into them. There is some minor "God talk" which you can easily convert to "mommy & daddy say" or "society says" etc... if you so choose. I did expect religious references when I purchased as the author is Christian. I am pleased that the references are minor.

My son is 6 and really responds to the lessons in these books.
