Customer Reviews

KIRSTEN DIXON is an internationally recognized chef. Early in her career, she was named one of the Ten Best Chefs by Pacific Northwest magazine and one of the Ten Best New Chefs by Esquire. In 1992, she was selected as a James Beard Foundation Special Events Chef. Later she was named a "Culinary Legend" by the House of Blues and Alive Culinary Resources. View her Web site at www.withinthewild.com.

got some good stuff in there to cook

Happy to get a replacement for the one that I had several years ago. It has some great recipes.

Very fine recipes, engaging stories, lovely book. Written by a lifelong student of the culinary arts, who made something truly good from a bare bones environment.

Living in Alaska I am drawn to try various Alaska cook books and this one is outstanding. There is an awesome recipe for "Pepper Relish" that my husband and his friends beg me to make. In fact friends have bought there own copies of the book becouse I wont loan it out. I've got sticky notes all

through the book with my own reviews and temptations! Its Simple to read and easy to understand recipes. These arent the copied versions of foods you have had before, and she writes a journal throughout the book to make you feel as if your a guest at her lodge. I hope to find more of her recipes! You will love this very interesting and well written cook book!

A friend of mine gave me this cookbook when she came back from Alaska and it is one of the best cookbooks that I have read. The recipes are all very good but the stories of Chef Dixon and her life in Alaska is wonderful. Even if you don't cook you will love this book. Kirsten Dixon seems to me as being a cross between Julia Child and Jack London. She is someone you should watch for.
